LaDonna and Deborah,

I didn't get a chance to add to the weekly report on the public folder before 1:00 today. I have added it now. I can add it to next week's weekly in the public folder as well.

Thanks,
Dipanjana

**SUPERFUND TECHNICAL & ENFORCEMENT BRANCH
RISK ASSESSMENT TEAM
WEEKLY ACTIVITY REPORT
Week Ending May 21st, 2010**

RISK ASSESSMENT

Jones Road Groundwater Plume Site- Looked at tables from the Risk Assessment to incorporate into the ROD. Had correspondence with RPM and asked for tables in editable format. **Bhattacharya X6753**

Gulfco Marine Maintenance- Attended Site-Team Meeting on 5/17/10. **Bhattacharya X6753**

Deep Water Horizon Incident- Reviewing new data and comparing to screening levels, reporting exceedances. Attended meetings, write summaries. Evaluated toxicity data on dispersants. Reviewed documents and gave recommendations. **Bhattacharya X6753**

▼ Weekly report will be sent to Deborah at 1:00 pm - please update.

Weekly report will be sent to Deborah at 1:00 pm - please update.
